SAOJIRA SAOJIRA

A genuine
"Notice
Me"-chan

presented by
MORISHIGE

● In reply to Shizuka's "Notice Me" Plan, the mature Gaku-raku will...

Amatsuka Aina
Dresses of
"school life"
and "class-
mates." *"I*
"Gloves"
contact. Too
intimate, like
mine!

I'm
 okay.

See?
 What did I
 tell you?

Ouch!

We can't help it.
 No matter how
 you look at it,
 Shishuku-san is
 worse off.

Are you
 done,
 Shishuku?

O-of
 course!

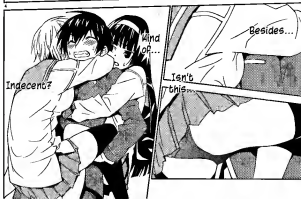

Then what
 do you
 want me
 to do?

Look, even
 Shishuku-san
 is telling you to
 stop...

Reaching
Sakurako,
Shizuko's
body
collapse
driving
for the
country,
she finds
the
carnage
situation
while
being the
"old
people."

Shounen
Oshi,
Kamatsuki and
Rumiko's
very last
chapter
was
completely
disappointing,
but sorry.

This is exactly the reason why you can't become friends with the other children.

Sakurako-chan, why won't you apologize?

I don't want to become friends with morons who don't even have a pinch of decency!

Ugh! "LastGens" are all idiots anyway! They're all communication-impaired brats who are so full of themselves!

I'm not wrong.

As stupid like me, you have to say "Thank you."

Sakurako-chan,

The same goes for you! Just because you have a job doesn't give you the right to use that condescending tone with me!

Huh? I'm a "LastGen", you know? It's only natural for them to do this much for me!

I'm definitely not wrong.

But that
doesn't mean
that you
yourself do not
have any
problems.

It's exactly
as you say.

Apart from you, all
the other "Last
Generation" are
full of problems.

Then you're no
different from
the other "Last
Generation."

If you can't
understand
that,

I have to say
thank you to
Hanasaka.

Once we
get
home...

But
still...

Yes, we are!

Why are you
two even
worse off
than me?

With him in this state, I can't keep depending on him.

But the one who
shot the ball
was me and
Gakushuu-san.

Who do you
think made
us win in
today's
match?!

Then I'll treat
you to the
hamburger.
So just pay for
everything else
you've eaten
until now.

But this is a
victory party
right? You
should treat
o-o!

But
Kanasaka-san
knew that
sort of
old-fashioned
manners,
right?

You're such a
tightwad!
You're a man!
Aren't you
shamed of
yourself?!

You're just
Kanasaka;
don't be so
cheeky!!

Argh,
geez!
You keep
talking
back to
me!

Get out of
this room
right this
minute!!

I don't
want to
see your
face
anymore!

Huh?

I don't want
to be with
you. Do you
understand
that much?

Oh, oh.

Why should
I get out
of my own
room?

Wait...
Wait a
second! This
is my room,
you know!?

That means
the only one
who can leave
is Kanasaka!!
There's no one
else but you!

Unfortunately,
Shikishima-san
and I are
injured, so we
can't leave
this room!

It still
makes
sense.

It makes
sense! Even
though it's
completely
irrational...

O...
Oh no...

I should
already know
that Hanasaka
is different
from all
the other
classmates
and adults!

Why am I
always like
this?!

stopped
stopped
stopped
stopped
stopped
stopped

Geez... Why
do I always
let my mouth
run off?!

Then, that's
like, I'm...
with
Hanasaka...

Well,
what? Does
that mean
Hanasaka is
special to
me?!

Ouch!

Ugh!

I can't
stay this
way!

I'm going
to go look
for Hana-
saka!

12

Wait, what
are you
doing?

!?

EH?
COME ON?

Shitawa-san...
There are really
some parts about
you that I
just can't
understand...

W-

Welcome
back...

I...

I'm home...

00

But you
want me to
remove it
for you?

Um,
Shikishima-san,
I can't look at
it with your
socks on.

Then, I'll
take it off.

What the
heck,
Shikishima-
san...

I'll be the
one to
take it
off.

Only.

Are
showing!

In that
position,
then your
panties...

You're doing
it on
purpose,
aren't
you?
Definitely
on purpose!

And thank
you for
everything...

I'm sorry for
saying such
mean things to
you today...

31

You never
thought I
could say
something
like that,
did you!?

Y-You're
making
fun of me,
aren't
you!?

You're
mistaken,
Himehiro-
san. Come
on, cheer
up.

It's so rare to
see such talent
in one of
"The Last
Generation"...

Indeed,
it is very
regrettable...

Where did
we go
wrong?

We wanted to
raise her in the
best kind of
environment
possible but...

Isn't that
obvious?

What do
you mean
"where
did we go
wrong"?

When you
abandoned
me...

You were
wrong when
you...

● The character development of Sakurako who couldn't be honest with herself...
But behind that, a dark past lies?!
